

Welcome to Swinfen Hall Hotel

At Swinfen Hall seasonality is very important to us, offering an abundance of produce. They also allow us to showcase our own Victorian walled garden – something we are very proud of and as local as we can get!

Please advise us if you have any specific concerns regarding allergies. We do make every effort to ask about any dietary requests at the reservation stage and we are happy to adapt dishes where possible. That being said, we also have a separate menu available which offers more detailed information on any potential allergens in our dishes.

We hope you find our menus imaginative and appealing. If you would prefer something a little simpler, the kitchen is very happy to oblige.
